

**Why taking classes with My Pronunciation Club?**

- ✓ Successful experiences designing and implementing customized strategies; thus, students obtain the necessary fluency when speaking and reaching their desired objective.
- ✓ Teaching system in a comfortable environment where making mistakes is part of the process.
- ✓ Multisensory teaching method with ludic and dynamic tools that make the learning process more efficient.
- ✓ You can be a member of our exclusive speaking club where you can practice what you have learnt and create connections with other students with objectives similar to yours.

*"My teacher gave me enough trust to speak in English without stressing about making mistakes. Now speaking is my strongest skill." (Alanis, 19 years, Mexican).*

**QUESTION**

- How many vowels do we have in Spanish? Can name them?
- How many vowels do we have in English? Can name them?

*"... for me, these classes were an investment to work out of Colombia and have a greater income." (César, architect, 29 years).*

*"...in my case, besides improving my English, I liked participating in the club. I could put into practice what I learned. Also, I met some professionals of different areas. Currently, I keep in touch with my friend from Honduras". (Cristobal, engineer, 32 years, MBA student at University of Toronto, Canada).*
